

This architectural floor plan illustrates a section of a building, detailing structural elements and material specifications. The plan includes the following components:

- Dimensions and Levels:**
  - Overall width: 5300 mm.
  - Overall depth: 2750 mm.
  - Room width: 1970 mm.
  - Room depth: 1030 mm.
  - Levels:  $\pm 0.000$  (main floor),  $+4.600$  (ceiling),  $+6.300$  (roof),  $-0.900$  (basement floor), and  $-0.100$  (basement level).
- Structural Details:**
  - Podhled** (Ceiling): Indicated by a yellow line.
  - Podkladní beton** (Base concrete): Indicated by a yellow line.
  - Izolace** (Insulation): Indicated by a yellow line.
  - Betonová vrstva** (Concrete layer): Indicated by a yellow line.
  - Parkety** (Parquet): Indicated by a yellow line.
  - Dlažba** (Tile): Indicated by a yellow line.
- Material Specifications:**
  - 20 mm (Parquet)
  - 80 mm (Concrete layer)
  - 150 mm (Insulation)
- Other Features:**
  - Room number: 1030.
  - Room name: Kuchyně (Kitchen).
  - Room area: 20.10 m².
  - Room volume: 100.50 m³.
  - Room height: 2.75 m.
  - Room depth: 10.30 m.
  - Room width: 19.70 m.
  - Room length: 10.30 m.
  - Room area: 20.10 m².
  - Room volume: 100.50 m³.
  - Room height: 2.75 m.
  - Room depth: 10.30 m.
  - Room width: 19.70 m.
