UNIVERZITA PALACKÉHO V OLOMOUCI Křížkovského 511/8, 771 47 OLOMOUC

No.: 040/PJ/OVZ/2021

Date: 28.04.2021

Subj.: The amendment of the tender conditions No.1

According to the public contract in the above-limit supply regime entitled: "Institute of Molecular and Translational Medicine – Restore of robotic platform for HTS/HCA", awarded in an open procedure, published under No. : Z2021-010182, in accordance with Act No. 134/2016 Coll., on the award of public contracts, as amended, we inform you about the following amendment of the tender documentation:

For security of all parties, the contracting authority states the number of required equipment for individual lots of the public contract:

The contracting authority therefore requires 1 set (1 instrument) for LOT A and two complete sets (two instruments) for LOT B, C and D.

Extension of the deadline for submission of tenders and change of the deadline for opening envelopes with tenders

The Contracting Authority hereby, in connection with the changes made in accordance with § 99 para. 2 of the Act, extends the deadline for submission of tenders and the deadline for opening envelopes with tenders, all specified in Article 11.1. tender documentation and in Article IV.2.2) and IV.2.7) Notice of commencement of the public contract published in the Public Procurement Bulletin as follows:
