**The justification of the selection:**

The tenders were evaluated on the basis of their economic advantageousness. The economic advantageousness of the tenders was evaluated on the basis of the lowest tender price.

The evaluation was carried out according to the absolute amount of the total tender price in CZK excluding VAT for the entire subject of the public contract.

The tenders were ranked in order from the lowest to the highest tender price. The lowest tender price in CZK, excluding VAT, was evaluated the best.

The committee evaluated the tenders of the suppliers who were not excluded from the tender procedure and established the following ranking:
