§ 217 par. 2 let. m) of the Act
where the contracting authority does not divide an above-threshold public contract into lots, it shall indicate the justification of such procedure, unless it has already indicated it in the procurement documents

The public contract is divided into the four lots, according to branch division. The subject of the public tender cannot be divided into more lots, as the subject of the each lot forms one compact unit, where it is not technically possible to divide the contract. Due to the nature of the matter and to ensure full functionality and compatibility, it is therefore not possible to divide the public contract into more than four lots.

§ 217 par. 2 let. n) of the Act
justification of laying down the requirement of turnover when proceeding pursuant to Section 78 (3), where it has not already indicated it in the procurement documents

The contracting authority did not proceed in accordance with Section 78, Paragraph 3 of the Act.
