PRICE AGREED IN THE PUBLIC CONTRACT

The contract has not been concluded.

Section 217 (2) b) of the Act

the type of procurement procedure used

Public supply contract awarded in the above-threshold regime in open procedure in accordance with provisions of Section 56 of the Act.

Section 217 (2) c) of the Act

the identification of the participants and their tender prices

No tender was received by the Contracting Authority and therefore there was no participant in the procurement procedure.

Section 217 (2) d) of the Act

the identification of all participants excluded from the procurement procedure including a statement of grounds for their exclusion

Not relevant.

Section 217 (2) e) of the Act

the identification of the economic operators with which a contract or a framework agreement was concluded, including a statement of reasons for their selection

The contract has not been concluded.

Section 217 (2) f) of the Act

the identification of subcontractors of the economic operators specified in paragraph e), where they are known to the contracting authority

Not relevant.

Section 217 (2) g) of the Act

justification of the use of a negotiated procedure with prior publication or a competitive dialogue procedure, where such procedures was used
